Ada Pagano, ASID

"Adhere to a natural hierarchy of design in which design elements are edited to a minimum to reveal the personality of the space and the client."

A. Pagano Design, Inc.
St. Petersburg

Robert Perlberg

"Elegant displays of tasteful furniture can contribute, as a whole, to an environment that provides aesthetic inspiration."

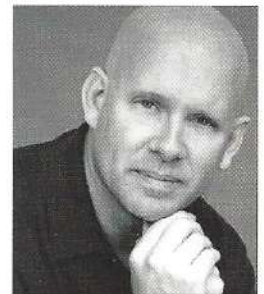

Perlberg Associates
Dania Beach 954/925-5190

Jonathan Parks, AIA | Punit Patel

"Our clients' words drive the pencil around on the page in each of our projects to give them as custom a job as possible."

Jonathan Parks Architect
Sarasota 941/3655721

Renata Pfuner ASID, LEED AP

"Clean, simple and sophisticated lines should meld with a feeling of freedom and an understated sense of luxury. One enjoys life more in an uncluttered environment where less gives more; more room to breathe, more room to enjoy the elegance of a space, and more room to evolve one's personality."
